Dear Zayin class Parents,

On **Sunday October 28th from 9:30am to 11:30am** the Zayin class is running a food drive to collect food for the Center for Food Action at the A&P on Chestnut Road Woodcliff Lake as part of their Social Action studies. This drive is an integral part of the program: The class recently met with Mr. Jim James, the Director of the Center for Food Action to discuss the Center's mission.

The students can go directly to the A&P at 9:30am and can be picked up from there at 11:30am. We will need some parent volunteers to stay and help out during this time.

Please complete the permission slip below, indicating if you can help us by staying on at the store that morning. **Permission slips are required back in the school office by Tuesday October 23rd 2007. The slip can be returned via email.**

Thank you!

Sheila Toffell
